

## Hitting the Mark

“Paul declared to the Romans that “whatsoever is not of faith is sin” (Rom. 14:23). The original word in the Bible for the word sin is hamartia. The word hamartia means “missing the mark,” deriving from the sport of archery.

Those of you who like basketball would probably call it “shooting an air ball.” When we do not do everything in our life in faith, under the influence of the Holy Spirit, we are missing the mark. We are off target. When we are off target, we will not feel the confidence and joy and power of the Holy Spirit and, therefore, we will have to learn to direct our desires towards repentance, or change, to bring us back on target.” *F. Enzo Busche - Oct. 1997 New Era*

- Neal A. Maxwell -

**“For all have not every gift given unto them; for there are many gifts, and to every man is given a gift by the Spirit of God.”**
